**DENVER PUBLIC LIBRARY**  
*Summer of Reading*  
 May 19-July 21

In response to the findings that students' reading skills begin to falter over the summer months, the Denver Public Library hosts an annual Summer of Reading program designed to encourage children, teens and parents to continue reading during crucial non-school months. Students participating in this free program, sponsored by the Rocky Mountain News, receive incentives that help keep their literacy skills sharp for their return to school in the fall.
