"Thumbs up to the Northern Colorado Active
20/30 group for a fabulous fundraiser. This group of
young professional men raised more than \$70,000
for the Boys and Girls Club of Larimer County and Partners
Mentoring Youth at its inaugural Suitcase Party. The event
featured a silent and live auction, great music and two
lucky raffle winners who flew off to Napa Valley for the
weekend right from the party. This group should be com-
mended for their dedication to the community. Congratula-
tions!"
